

CCA LOCAL GOVERNMENT CONFERENCE 2025

SPONSORSHIP & EXHIBITION OPPORTUNITIES

Friday 21st February – Saturday 22nd February 2025

WELCOME

Whether you are a long-standing sponsor or a first-timer, there is plenty on offer at the CCA Conference 2025. We hope to see you there!

WELCOME

The Conservative Local Government Conference is a fantastic opportunity to showcase your organisation.

The Conference is attended by over 200 local government decision-makers from across the country, including Council Leaders, Cabinet members and new councillors as well as members of the Shadow Local Government Ministerial Team and the Shadow Cabinet. It is a great event and one that I have really enjoyed hosting for a number of years. The feedback that we receive from both councillors and sponsors is consistently good, and we'd love to have you on board for our next event.

Conservative local government is strong, with approximately 5,000 councillors in England in positions of leadership and influence through every type of Council - from the smallest district councils to the largest County, Metropolitan and Unitary Authorities. And many key individuals from these authorities come together every year - along with a number of Shadow Ministers - at our Local Government Conference. We would be delighted to welcome you as a sponsor at our next annual conference. As a conference sponsor, you'll have an excellent opportunity to share your brand with attendees and talk about the good work your organisation is doing in local government.

We have a number of different opportunities available so please take the time to look through the brochure and get in touch if you have any questions.

Cllr Phil Broadhead

CCA Chairman and Bournemouth, Christchurch and Poole Council

The 2025 Conservative Local Government Conference will be held on Friday 21st February to Saturday 22nd February 2025 at the Oxford Belfry in Oxfordshire.

The Conference provides excellent sponsorship and exhibition opportunities at an affordable cost. All rates include a generous advertisement in the Conference Programme, free of charge, and complimentary conference passes (dependent on sponsorship level and availability).

Our venue for 2024 is the 4* Oxford Belfry hotel in Thame, Oxfordshire. We have used this venue several times in the past and know that it works really well for our Conference with excellent attendance rates when we've used this venue previously.

Please be aware that sponsorship of a CCA event is considered a political donation, and (a) a company should have shareholder approval if donating over £5,000, and (b) if the value is over £11,180 the CCA will be required to declare this to the Electoral Commission within 30 days of the money being received by the CCA. The Commission will publish this on their website.

THE CONSERVATIVE COUNCILLORS' ASSOCIATION

The Conservative Councillors' Association is an independently run organisation managed by the Local Government Board. The board is elected annually by members of the CCA.

The CCA exists to provide a strong and unified voice for all Conservative councillors within the Party and in the wider community. It supports councillors in their important role and provides them with the tools to both work effectively on behalf of local residents and to campaign successfully as Conservatives.

Councillors receive a range of services upon joining the CCA including weekly news emails, events and training, publications, campaign support and general advice. Our membership levels typically reach 96% of Conservative councillors as well as numerous council candidate members.

We offer other advertising and sponsorship opportunities throughout the year such as at our activities at Party Conference, the Councillor Development Weekend, and adverts in our quarterly magazine. Please get in touch if you'd like to discuss these options.

We have just under 5,000 councillors and control 51 councils in England and Wales.
